

WOMAN'S NIGHTMARE

No woman can be happy without children; it is her nature to love them as much so as it is the beautiful and pure. The ordeal through which the expectant mother must pass is so full of dread that the thought fills her with apprehension. There is no necessity for the reproduction of life to be either very painful or dangerous. The use of **MOTHER'S FRIEND** prepares the system for the coming event, and it is passed without any danger. This remedy is applied externally, and has carried thousands of women through the crisis with but little suffering.

ROOT TO EXPLAIN PANAMA TREATY

Plans to Head Off Controversy

Document in Senate and Democrats See It in Evidence of Collusion in Revolution.

TERMS OF TREATY OF PEACE.

Washington, Jan. 13.—The tripartite treaty between the United States of Colombia and Panama was received by the senate in executive session, and by it referred to the committee on foreign relations. This treaty promises to reopen the controversy over the birth of the republic of Panama. In consequence, Mr. Root, secretary of state, has asked permission to appear before the foreign relations committee so that he may fully explain and elaborate upon some of the features of the treaty and in advance disarm criticisms of the document by winning over, if possible, the minority members of the committee.

The particular portion of the treaty which promises to open up controversy is the one relating to the assumption of a portion of the public debt of Colombia by Panama. This portion is fixed at \$2,500,000, and it is provided that the amount shall be paid over to Colombia in ten annual installments. It is a matter of remark among the Democratic senators that this means annual payments of \$250,000 each, and these annual payments equal exactly the annual payment made under treaty by the United States to Panama, which we pay as rental under our lease of the canal zone.

Democrats Seem Scandal.

Democratic senators have repeatedly tried to involve President Roosevelt and the present administration in an alleged deal for the creation of the republic of Panama. They have never been successful. The effort to involve the state department at the time when Frank E. Loomis was acting secretary of state and sent the now famous cablegram asking if the revolution which resulted in the birth of the Panama republic was over before it actually began, has never been successful or attracted the attention of the country. Now the minority senators seem to feel that the country is inclined to be more critical of President Roosevelt than at the time when the little republic of Panama came into existence. In consequence, they want to go into the whole affair. Republican senators believe that, with the ammunition which Mr. Root can supply to them, they will be able to meet any contention which the Democrats may make.

This country now owes Panama \$250,000 for last year's payment, and the treaty proposes that last year's payment, as well as the one for this year, be made at once to Colombia, so that she will get a half million dollars in cash from the United States at advance payment, and that in this manner the total of \$2,500,000 be paid over by 1912.

Seven Years of Proof.

"I have had seven years of proof that Dr. King's New Discovery is the best medicine to take for coughs and colds, and for every diseased condition of throat, chest or lungs," says W. V. Henry, of Panama, Mo. This world has had thirty-eight years of proof that Dr. King's New Discovery is the best remedy for coughs and colds, la grippe, asthma, hay fever, bronchitis, hemorrhage of the lungs and the early stages of consumption. Its timely use always prevents the development of pneumonia. Sold under guarantee at all druggists, 50c and \$1.00. Trial bottle free.

Reason for Beer.

This is one of the pet stories of W. R. Smith, General Attorney for the Santa Fe, says the Kansas City Star. One must almost be a Kansas to get the real chuckle out of it. A man dropped into a Kansas drug store and asked for a bottle of beer.

"All right," said the druggist reaching for the "sign-up" book.

"What reason shall I give?"

"I'm not sick," said the purchaser.

"Well, if you don't want it for medical purposes, do you want it for mechanical uses?" asked the druggist.

"Sure, sure—for mechanical," was the reply.

"Well, specify," went on the druggist.

"H'm, h'm," muttered the buyer, scratching his head. "H'm—Oh, yes—that's right—I want it to grease a buggy with."

Watched Fifteen Years.

"For fifteen years I have watched the working of Bucklen's Arnica Salve; and it has never failed to cure any sore, boil, ulcer or burn to which it was applied. It has saved us many a doctor bill," says A. F. Hardy, of East Wilton, Maine. 25c at all druggists.

HOW IT HAPPENED.

The criminal was close pursued. Until, almost at bay. He stepped upon a slot machine. And so he got a weigh.

They got the bloodhounds after him. Upon his capture bent; It wasn't any use—you see, They couldn't get his cent. —Boston Transcript.

NOBODY SPARED.

Kidney Troubles Attack Paducah Men and Women, Old and Young.

Kidney ills seize young and old. Come quickly with little warning. Children suffer in their early years. Can't control the kidney secretions. Girls are languid, nervous, suffer pain.

Women work, can't do daily work. Men have lame and aching backs. The cure for man, woman or child, is to cure the cause—the kidneys. Doan's Kidney Pills cure sick kidneys.

Cure all forms of kidney suffering. Paducah testimony proves it.

John Stanley, farmer, living six miles south of Paducah, Ky., says:

"My boy, aged 12 years, was a sufferer from weak kidneys for a number of years. He did not have any control over the kidney secretions and this caused us much annoyance especially at night. He complained of his back aching him and last, summer his general health became run down. We had a doctor from Louisville treat him, but one week he would be better and the next worse. I had often read of Doan's Kidney Pills so decided to give them a trial, and procured a supply at DuBois, Son & Co.'s drug store. The boy took them as directed and at the end of the first week he could control the secretions and the annoyance at night, which had caused me so much work, was removed. We continued to have him take Doan's Kidney Pills for three months when they made a complete cure."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

South American Battle.

South American revolutions are not really quite so humorous as the stories they tell of them in American magazines.

We sauntered up the shady side of a noisy street with a toothless, jet-black Trinidad negro for guide, until we turned into a delicious open square, shaded with heavy trees, and there found the rest of the army. Up to that instant, and although we knew how serious had been the struggle on the Orinoco, we had spoken of the evolution in the jesting tone familiar to American comic papers. But never again! There were some hundreds of men and many women, stretched out in the little park. All the men were ill, most were wounded. Fine bronzed peons, with horrible, festering holes in legs and arms, unbandaged, often, I fear, untreated; skeletons, yellower than nature, and shaking with fever, every arm of sickness, wound and misery was in that mock hospital. A veteran perhaps, would have looked pitying and passed on, but to us, softlings of a long peace, it was the first realization of war. I shall not forget one gigantic half-breed Indian, his head on the breast of a young and really beautiful Indian girl, his useless leg writhing on the grass; and 'till less a poor devil stretched on the hot, hard pavement (for misery was not all in the park), covered with a poncho, and breathing his last of fever.—Atlantic.

Children of yesterday, heirs of tomorrow, look at your fabric of labor and sorrow, leamy and dark with despair and disaster! Turn it, and—lo! the design of the Master! The Lord's at the loom; toom for Him, room!

20 Years With Heart Trouble

"Dr. Miles' Heart Remedy has cured me of heart disease of over 20 years' standing. I was so bad that I could not do my work, and could scarcely draw a full breath without fainting or smothering. The doctor told me he could do no more for me; then I commenced taking the Heart Remedy. I shall never forget that night. I slept better than I had before in months. I kept right on getting better, until I was perfectly well."

MRS. LAURA RUSSELL,

Logan, Iowa.

When the heart action is weak, it fails to pump the blood through the lungs with sufficient rapidity. Then the lungs do not absorb the proper amount of oxygen, although they may be taking in a normal amount of air. The result is shortness of breath, smothering spells, difficult breathing, oppressed feeling in chest. Dr. Miles' Heart Remedy strengthens the heart nerves and muscles, and in this way increases the circulation.

Humor and Philosophy

ALONE.

What's the difference if I win Or am distanced in the race, As a leader coming in Or can hardly show for place? Nothing to the world at large, To admit it I am free, If I merit a discharge, But it means a heap to me.

Others may dissect my case In calm, cold blooded tone, Be it honor or disgrace, They praise or cast a stone, Or their shoulders they may shrug And dismiss it with a sneer Or a smile serene and smug If I happen to be near.

If I suffer and am sad, If I get the double cross, If my schemes are to the bad, Every deal a total loss, Still the old world goes along Quile contented on its way, Seeing nothing very wrong, Finding life serene and gay.

Clearly I must do my own Weeping if it's done at all, In my secret chambers groan, Useless 'tis to hire a hall, And perhaps 'tis better thus, If the world should pause to show Borrow at each private fuss, When would it find time to go?

DID YOU EVER WONDER WHY—

Your dearest enemy is blessed by a flash of illumination that enables her to call on the day that you are up to your eyes in work and both you and your house present the most unattractive appearance possible?

When you have your house spick and span and lots of good things for dinner you never, never, never are blessed with unexpected company?

Your hair will never curl or even stay in place when you are to do a stunt at the club or sing a solo in church or otherwise be the center of observation?

Your shoe comes untied and some gallant gentleman of your acquaintance dumps down on his immaculate knees to tie the shabby thing topped by faded hosiery?

Your children present a half starved appearance when you have formal company to dinner and the same children eat with both hands and their mouth on such occasions as if never before did they see so much food?

You husband will stop in the midst of serving at table and carefully scrutinize some article of table furniture and ask "Where did we get that?" if there is company present?

The furnace absolutely refuses to work on cold days, as if all furnaces were out on strike, but on a mild and salubrious day will fall to work with a will and fairly make the house shiver with its efforts?

The grocer never delivers your order on those days when it is absolutely necessary to have them in the morning until 4 in the afternoon and then cheerfully assures you that they started immediately upon your order?

Your next door neighbor who is continually borrowing of you is always out of stock when you find it convenient to borrow of her?

"Do you know the burglars who broke into your house?"

"Know them! Certainly not," replied the society light. "I would refuse to know them under any circumstances."—Philadelphia Ledger.

CHILDREN!

Vinol is the only preparation of Cod Liver Oil that children will take and which is easily assimilated by their delicate digestive organs. It builds up firm, healthy flesh, and makes little limbs round and plump. Delicate children thrive on it and love to take it.

The body-building and strengthening properties of Cod Liver Oil—but no oil—combined with peptonate of iron, makes Vinol the ideal tonic for delicate children. It tastes good and always does good.

GROWING CHILDREN

play hard and work hard. They use up an enormous amount of energy and vitality that needs replacing. Give them Vinol regularly. It keeps them healthy, builds strong bones, sound flesh and muscle and pure rich blood.

SICKLY CHILDREN

cannot digest ordinary Cod Liver Oil on account of their greasy nature and nasty taste. It upsets their delicate little stomachs. Vinol contains all the medicinal value they do and tastes good besides.

DELICATE GIRLS

"My 9 year old daughter was weak, pale, and had no appetite. I gave her Vinol, and she began to thrive at once. She gained rapidly in weight, color and strength."—MRS. W. B. GILMORE, Durand, Mich.

"MY TWO CHILDREN,

who were puny and ailing, rapidly gained flesh and strength when I began to give them Vinol. I proved that Vinol is a splendid tonic for delicate children."—MRS. C. ALLEN, New Bedford, Mass.
